SUMMARY

UX researcher and designer focused on how people interact with digital products and services. I translate user feedback into clear insights that inform design, improve experiences, and support business goals.

EXPERIENCE

FREELANCE WEB DESIGNER | PARASOLE PROPERTIES | APR 2026 - PRESENT (2 MONTHS)

- Managed end-to-end website projects from contract negotiation through delivery and client training
- Applied user research principles to design an accessible site for a 55+ audience, prioritizing intuitive navigation
- Translated client goals into conversion-focused architecture with cohesive brand identity

UX RESEARCHER | UNIVERSITY OF FLORIDA | JUN 2025 - OCT 2025 (5 MONTHS)

- Directed usability testing to evaluate UF's club software platform
- Audited accessibility to uncover user pain points and inclusivity gaps
- Developed Figma-based prototypes to communicate research-backed solutions

LEASING & MEDIA ASSOCIATE | CONTEMPORARY MANAGEMENT CONCEPTS | MAR 2025 - AUG 2025 (6 MONTHS)

- Applied user-centered communication strategies improving lead conversion
- Built and analyzed social engagement metrics to inform content strategy (6K+ impressions, 60% engagement)
- Ensured visual and messaging consistency across digital platforms

CUSTOMER EXPERIENCE INTERN | ICE MORTGAGE TECHNOLOGY | JUN 2024 - AUG 2024 (3 MONTHS)

- Boosted survey response rates by 333% through behavioral data and timing strategies
- Audited digital platforms for WCAG 2.1 compliance, driving accessibility and UI enhancements
- Synthesized employee feedback into UX research reports and presented to senior leadership
